

Dear FCC, I am greatly opposed to the group of banks that are trying to weaken Indiana's telephone privacy law. I do not even have a "business relationship" with any of the banks who are funding the Consumer Bankers Association petition. It really gauls me that they would even use the word "Consumer" in their name. Their challenge to Indiana's current law is NOT in the consumer's best interest. I urge you to strike down their challenge!!

Thank you.
